James:

There may be labels on some but not all. The containers will be cleaned but most likely will need to be recycled rather than reused.

Maybe you can come out to the site to visually see what we have.

Thanks

Hello Gary,

We need to know the MSDS and the labels have to be on the drums and totes. The totes and drums must be empty drip dry empty and we will charge \$5/ drum plus freight \$2/ mile roundtrip. We will also charge \$25/ tote.

Regards,
